

Winter Guard Trip Information

Spring 2012

Please remember, under Winter Guard International guidelines ABSOLUTELY NO VIDEO is allowed at ANY winter guard contest. The penalty for this is disqualification. Please do not undermine our student's efforts by choosing to disregard this rule. Any violation of this rule would result in ALL GROUPS FROM LAKE HAMILTON BEING DISQUALIFIED.

VIDEO IS WELCOME AT OUT HOME SHOW, THURSDAY MARCH 15th ONLY!

VIDEO IS NOT ALLOWED AT EITHER CONTEST!!!

Additionally, NO FLASH PHOTOGRAPHY is allowed at any winter guard event, including our home show. This is a safety precaution for the performers. No one needs to be blinded by a flash when throwing things in the air.

Schedules for each contest will not be released by their respective circuits until the week prior to the contest. Students will receive a detailed and final schedule at that time.

Parents are encouraged to attend all of our events! It's wonderful for our students to have a large cheering section at out-of-state events.

Due to the large number of students involved in our program, we will not have bus space available for parents.

Please, do not plan on following the bus. If we were to become separated, we would not be able to pull over and wait. Locations for each event are included on this information sheet.

For emergencies only! Please, do not call on contest day to see where we are in the arena. Please, do not call for directions. I will be very busy getting our groups ready to compete. For emergencies only!
